Letter of Recommendation

Dear Mr Muttreja

We would like to take the opportunity to thank you and Tecnova for your assistance during the past 18 months of collaboration.

It was a very fruitful time, first during the period of the establishment of the feasibility study, followed by the incorporation of our company, Blaser Swisslube Pvt Ltd in India.

We did appreciate the reliability and quality of your services plus the honesty, which was always present and made it pleasant to co-operate with you and Tecnova.

We can recommend your firm further at any time.

We wish you all the best for the future and should you be in Switzerland, you are always welcome.

Yours faithfully,

René Jordi
General Manager
Metalworking Division
