Market Study in India for Chr. Hansen Products

Dear Mr Muttreja

We would like to thank you for the comprehensive study of our business possibilities and the potentials for our products on the Indian market. The cooperation between Tecnova and Chr. Hansen has been excellent and the results delivered have been of high quality.

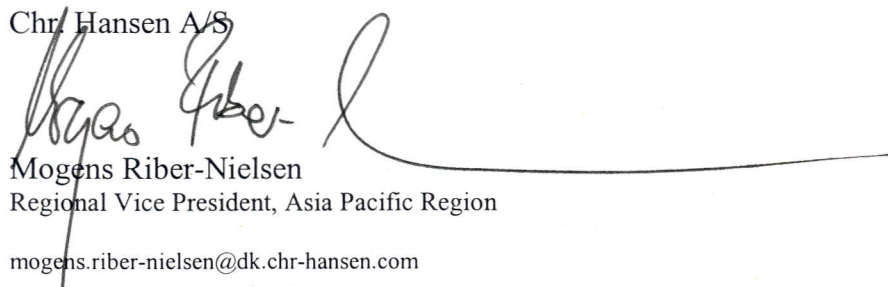

In particular we should like to mention the professional and high-quality work by your senior consultant Mr Y. Prakash with whom we have had the pleasure to work for almost a year.

We look forward to the incorporation of Chr. Hansen (India) Pvt Ltd, and to receiving similar good results from the ongoing assignments.

It will be a pleasure for us to recommend Tecnova to other international companies.

Yours sincerely

Chr. Hansen A/S
