Delhi, 16 th of March 99,

Dear Mr Muttreja,

Mr. Pavan Choudary has completed three months with our company. I wish to take this opportunity to thank you again for the excellent and efficient job you and Miss Pande have done to fill the position we were offering. I have already recommended Boyden to some firms that were looking for a company like yours, and I will not hesitate to do it again in the future, should the possibility arise.

Best Regards,

Yours sincerely.
